COMBINED LIABILITY WORDING

IMPORTANT NOTICES

A. YOUR DUTY OF DISCLOSURE

Before you enter into a contract of general insurance with an insurer, you have a duty to disclose to the insurer every matter that you know, or could reasonably be expected to know, is relevant to the insurer's decision whether to accept the risk of the insurance and, if so, on what terms.

You have the same duty to disclose those matters to the insurer before you renew, extend, vary or reinstate a contract of general insurance.

Your duty however does not require disclosure of any matter:

- that diminishes the risk to be undertaken by the insurer;
- that is of common knowledge;
- that your insurer knows or, in the ordinary course of his business, ought to know; or
- as to which compliance with your duty is waived by the insurer.

Non-disclosure

If you fail to comply with your duty of disclosure, the **underwriter** may refuse to pay your **claim** or avoid the contract from its beginning.

B. CLAIMS MADE AND NOTIFIED POLICY

Sections 1, 3, 4 and 5 of this **policy**, being the Professional Indemnity, Directors and Officers Indemnity, Statutory Liability and Employers Liability sections, apply on a claims made and notified basis.

This means that Section 1, Section 3, Section 4 and Section 5 of the **policy** respond to:

- 1) any **claim** first made against you during the **period of insurance** and notified to the **underwriter** during the **period of insurance**, provided that you were not aware at any time prior to the **policy** inception of circumstances which would have put a reasonable person in your position on notice that a **claim** may be made against him/her; and
- 2) any **claim** made against you after the expiration of the **policy** provided such **claims** arise out of facts that you have notified to the **underwriter** in writing during the **period of insurance**. The facts that you may decide to notify are those which might give rise to a **claim** against you. Such notification must be given as soon as reasonably practicable after you become aware of the facts and prior to the time at which the **policy** expires.

C. RETROACTIVE DATE

Section 1 (Professional Indemnity), Section 4 (Statutory Liability) and Section 5 (Employers Liability) of the **policy** contain a **retroactive date**. This means that cover is excluded for any claim arising from a **wrongful act** occurring or committed prior to the **retroactive date**.

D. PRIOR AND PENDING LITIGATION DATE

Section 3 (Directors and Officers Indemnity) of the **policy** contains a **prior and pending litigation date**. This means that cover is excluded for any **claim** arising from any **wrongful act** relating to any prior and/or pending litigation committed prior to the **prior and pending litigation date**.

E. PRESERVATION OF INSURER'S RIGHTS OF RECOVERY/SUBROGATION

The **policy** contains provisions to the effect that the **insured** shall not surrender any right of recovery that it may have against another party without the **underwriter's** written consent. Failure to comply with this condition may permit the **underwriter** to reduce its liability in respect of a loss under the **policy**.

F. INSURING CLAUSE

This **policy** and the **schedule** have been prepared in accordance with the **named insured's** instructions. The **named insured** is required to read it carefully to ensure that it meets its requirements.

Alterations in the insurance required after the issue of the **policy** and the **schedule** will only be effective when a new **policy** or an **endorsement** has been issued which contains those alterations.

All material facts must be disclosed to the **underwriter**. Failure to do so may affect the rights of the **insured** under the **policy** as outlined in clause A. Your Duty of Disclosure on page 1 of this **policy**. A material fact is a fact likely to influence the **underwriter** in the acceptance or assessment of this insurance.

The **underwriter** and the **named insured** agree that:

- 1) this **policy**, the **schedule** (including any **schedule** issued by the **underwriter** in substitution) and any **endorsements** shall be considered one document;
- 2) the **proposal** shall be incorporated in and form the basis of this **policy**; and
- 3) the **underwriter** will provide the insurance described in this **policy** subject to its terms, conditions and exclusions for the **period of insurance** shown in the **schedule** and any subsequent period for which the **named insured** shall pay, and the **underwriter** shall agree to accept, the premium.
